

# Kingsway retail floor plan

## Mall Promotions:

The Kingsway Centre has extensive experience in hosting successful promotions and, together with a good choice of highly visible promotional areas and nearly 6 million visitors per year, we can help you reach your target audience.

## Retail Merchandising Units

We have three Retail Merchandising Units (RMUs) at the Kingsway Centre which are designed to offer businesses the opportunity to showcase their products to their best advantage and in a flexible way, allowing direct contact with passing customers in a retail environment.

We have flexible trading terms on both our mall promotions and RMUs to give access to all operators, from small businesses and sole traders through to international brands.
